

FARM TO SCHOOL

Healthy Eating. Farm to School – Know Your Foods

Targeted Grades: 3rd Grade to 4th Grade

Lesson Plan: Utilize the Introduction to Unit resources to start discussion about Farm to School Concepts. **Milk from Cow to You Unit:** Show all three episodes of Milk from Cow to You. Ask students to write down the steps milk goes through from the cow to processing. **Farm to Everywhere Unit:** Farm to Cafeteria highlights more information about milk's journey from the farm. After showing video, utilize the Farm to School Guide to conduct activities in the classroom to enhance student's knowledge of local products. This can be utilized for several lessons. Finally, help students understand sustainability practices by showing the Sustainable Future Series.
