

PERFORMANCE PACKS MENU EDITING INSTRUCTIONS

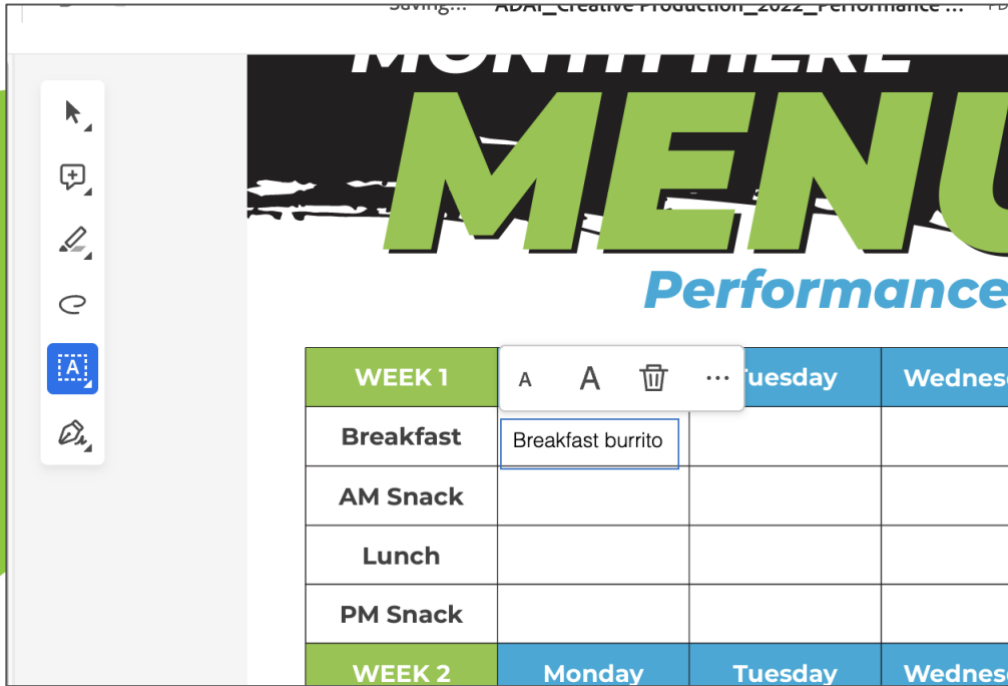

1. Download the menu template pdf from the ADAI website.
2. Go to Adobe's free PDF editor [here](#)
3. Click **"SELECT A FILE"** and upload the menu template pdf

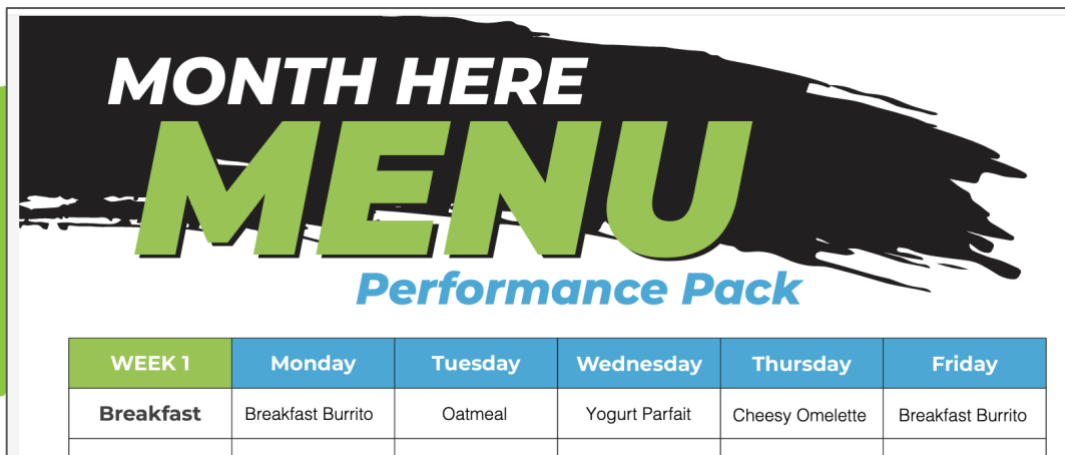

4. Once uploaded, you'll see a tool that is a box with an "A" inside on the left-hand side, titled **"fill in form fields."** Select that tool.

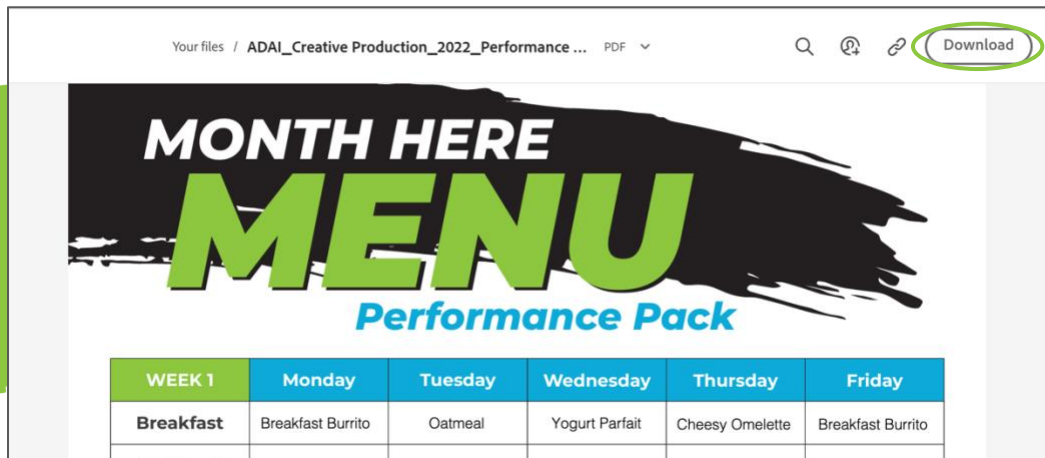

5. This will generate a text box. In this text box, you can type whatever menu items you'd like.

6. Make sure to adjust the font and center the text to fit in each box.

7. Once you have filled out the menu, click “**DOWNLOAD**” in the upper right hand side.

8. From there, a new pdf with your edits will download to your computer.
